

# GRANDOR

MAGNETIC BEAUTY  
CRAFTED WITH RARE  
AND OPULENT  
MATERIALS

Grandor blends modern technology and human craft, resulting in magnetic beauty in all forms. Every door is created with precious materials and uses intricate construction techniques, for an inspired architectural impact that lasts.

Product number: 106

# Porcelana

Like a rock which is honed by the water in a river, the surface of our Porcelana doors have a natural, uniform feel. Their superior quality and lasting appeal means they're versatile, beautiful, and easy to care for both indoors and out. The Porcelain face to the door is delivered with full respect to the environment from which the raw materials come from.
